Please send requests (including quantity) to **Beth Given.**

Random tidbit for the week

Have you seen the video of the **falcon chicks in downtown South Bend?**

sb_falcon_chicks

Sometime late Thursday, afternoon a tiny beak poked through its egg shell and entered the world. For the 10th year in a row, it looks like the peregrine falcon pair of Zephyr and Guinevere are going to be raising a brood downtown! As of Friday morning, it appeared from watching the **webcam of the nest** that two of the nest's four eggs had hatched.

Have a submission for *The NDLS Update?* Send an email by noon on Thursday for inclusion the following Tuesday, to **libnews@nd.edu**, or contact *NDLS Update* editors **Susan Good** or **Beth Given**.
