Monday Morning Update

February 19 - February 25

Hello Notre Dame Law School,

I hope everyone had a great weekend! I had a moment this weekend when I needed to look in the mirror and admit that I have a problem. The problem you ask? Hair loss.

It became apparent when this weekend, a "friend" of mine emailed out a picture from the Inter-Journal social. In the background of the picture was something shocking. Here is the picture that I gasped at and threw my phone to another couch:

Just a really bad visual. I knew that based on looking at both sets of my Grandfathers that I was going to be in trouble. I just did not think it was going to be this early on. I thought I had time. I know what you are thinking and yes, I have looked into Rogaine and have gotten quotes on hair plugs. I just was taken aback by this picture that I had to share with my closest friends, meaning every student and some staff members at NDLS. Buy why?

I just want to know why someone didn't tell me? Where were you all with hats for me or even kind and gentle remarks like "Hey Drew, really think you should start thinking about your hair," or "Hey Drew, don't worry, you'll still look great with no hair." I'm not saying an intervention was appropriate but I'm also not,

not saying that. I guess I just thought we were better friends.

My hair is important to me so during this trying time, I would appreciate your kindness.

Anyway, here are some Monday Musings:

1. The week was not all bad. UVa was named the #1 team in the nation by the AP for the first time in 35+ years. After some chaotic games this week, it also looks like UVa will remain #1. I bought a t-shirt about 2 hours after the polls were released to commemorate the moment.
2. Tougher week for Notre Dame athletics than expected. The men's basketball team is probably going to have to win the ACC tournament in order to make the Big Dance. With Bonzie coming back soon, however, this is not as crazy as it seems. The #1 men's hockey team lost both games this weekend to the school in Ann Arbor. But the Women's team kept rolling along, bringing their record up to 25-2. #5 Men's Lacrosse was off this weekend, however the baseball team went 2-1 over the weekend against #17 LSU!
3. With everyone in the law school getting sick, please be sure to stay home if things are really bad. The temperature changes in this town are getting a little crazy and I've been told that temperature changes can lead to people getting sick. I have no idea if this is true or not. But anyway, don't come to school if you are super sick.

Lots of love,
Drew

LEGAL WRITING CENTER

The Legal Writing Center is dedicated to helping law students become better writers. Our tutors accomplish this goal by listening attentively in writing conferences, reading papers carefully, and asking questions that can help

writers better express their ideas and construct their arguments. Make an appointment [here](#) or drop in to room 2146 during the following hours:

1L OF THE WEEK

We finally have a "volunteer" for 1L of the week! Meet Hope Steffensen!
Thanks, Hope! Buy this woman a coffee!

Q: Where did you attend Undergrad?

A: The University of Texas at Dallas. Go Comets!

Q: Where is your hometown?

A: Kenai, Alaska

Drew Side-Note: After further investigation, this is a little southwest of Anchorage. Just was curious.

Q: What did you do before law school?

A: I clerked for the summer at Pacific Legal Foundation in Sacramento, CA.

Q: What did you do this summer?

A: See above!

OK now for the fun questions:

Q: Do you know what AIM was and if so, what was your screen name?

A: My knowledge of AIM is primarily based on the MMU. No screen name for me ;)

Drew Side-Note: My immediate thought was this had to do with Alaska and AIM not being big there. After thinking about it more, this is still my thought.

Q: Which fruit best describes you?

A: Lime. It adds zest to whatever you're eating or drinking, and I like to bring enthusiasm to whatever I'm doing.

Drew Side-Note: I was asked this over the weekend. I was told I was a pineapple. No clue.

Q: What TV show do you like to binge the most?

A: Not really a TV show, but currently a good portion of my homework is getting done during commercial breaks for the Olympics.... I am watching Olympics as I type this out.

Q: What are your spring break plans?

A: I am going to Kansas City.

Q: What movie would be greatly improved if it was made into a musical?

A: I will preemptively say the Mulan Live-Action movie would be greatly improved if it were a musical....I

still can't believe it won't be a musical after the Beauty and the Beast remake made Disney so much money. Is it even Mulan if it doesn't have "I'll Make a Man Out of You?"

HAVE A GREAT WEEK!

Submit content for next week's MMU!
