Monday Morning Update

December 5th - 11th

Good Monday Morning NDLS,

Finals are here. Woohoo.

1L's: You'll be okay, I promise. There are probably about three or four of you that are smarter than the rest and there are probably about three or four of you who I'm sure have other really awesome talents besides test taking.

For everyone else, it's pretty much a crapshoot. Embrace the B+.

If you would like to submit something to the MMU, please click the link at the bottom of this email or send an email with all event details to mondaymorningupdate@gmail.com.

Who's That 1L?

That's Theresa Barton! (And her boyfriend so back off)

I asked Theresa for something unique about her and she told me that she likes to watch The Office and she enjoys visiting breweries. *rolls eyes so hard*

Hope you have some better answers than that this week, Theresa.

Anyway, buy her coffee sometime, she's chill.

Submit content for next week's MMU!
