Welcome to MMU 22. First and foremost, I need to clear some Harry Potter related air. Last week during trivia there was a bit of a skirmish because I mentioned Voldemort never graduated Hogwarts. People got upset. I'm sticking by convictions here. He was Tom Riddle during his graduation. Sure he acted under the guise of Voldemort, but he didn't go public with it.

Second, thanks to all MMU contributors for getting me my materials early this week.

Third, sorry for the lack of chuckles in recent iterations of the MMU.

Fourth, here's a sign from a Jimmy John's I really like:

## FROM BERKELEY

The *Berkeley Technology Law Journal* is soliciting entries for our annual student writing competition. We will accept submissions from J.D. candidates on a wide variety of topics at the intersection of law and technology, including but not limited to: technology and the public interest, privacy, internet law, intellectual property, antitrust, First Amendment issues, entertainment and new media, telecommunications, biotechnology, and cybercrime. The first prize winner will receive \$2,000 and be published in the Fall 2016 issue, if it meets the Journal's publication standards. The submission deadline is March 7, 2016.

BTLJ is one of the oldest, most respected, and most cited technology law journals in the country. The journal strives to keep judges, policymakers, practitioners, and the academic community abreast of the dynamic field of technology law.

Please post the enclosed flyer and advertise our competition in your weekly bulletin. If you need further information, please e-mail us at [btljwritingcompetition@gmail.com](mailto:btljwritingcompetition@gmail.com) or visit our website at [www.btlj.org](http://www.btlj.org). Thank you in advance for helping us run another successful competition.

## FROM JENN AND ANTHONY

Save the date! Barrister's Ball, our annual formal event during the spring semester featuring a sit-down dinner and dancing, will be Saturday, April 2, 2016 at Palais Royale.

## FROM ME

I send enough emails to where I can now incept them. I can just put emails in emails in emails: Check this out:

## READ THIS IF YOU HAVE AN IOTA OF TALENT

If you're reading this, thank you for not deleting it first. I'll get right to it....

Important information regarding Fr. Mike:

- 1) If you would like to be in an act, you DO NOT have to come to the weekly meetings. Those involve boring administrative things and a good amount of watching YouTube videos while saying "do you think we can pull that off?" You don't need to be there for that.
- 2) NEW SIGN UP PROCEDURE. If you want to be in an act, just email me, rather than putting it on the Google Doc. The Google Doc is public. Public sign ups can be a disincentive. Just email me the act name, what the act is, how long it's gonna be and what you need for the act.
- 3) Talented but don't want your own act? Not self-proclaimed talented but still want to contribute? Email me! We have approximately 34 billion videos that we need various extras, actors (maybe singers) for. Volunteers needed
- 4) Easiest way to stop getting emails from me is to just sign up.
