LAST WEEK'S PHOTOS: The Dapper Rick Garnett

Cute Puppy Contest:

Thanks to everybody who responded in droves to the weekly cute puppy contest. Remember, send me your cute puppy pictures each week to be submitted.

This week's winner is Steven Harrison's dog Sam. Nine Photos. Is nine a lot of photos? Yeah. Is this dog adorable enough to justify it? Yup.

CALL FOR HALLOWEEN PHOTOS: This week I got some halloween animal photos which were adorable. As such, I thought before I would post any of them, I'd give everybody an opportunity to submit theirs to me. Also, due to allegations of feline discrimination (which I must admit, are valid claims (cat's suck, when have you heard of a cat saving someone from an avalanche? anyways, I digress), I will now take pictures of peoples kittens, but they have to be objectively adorable.

...It turns out that's just Andre Agassi's animagus.

Notre Dame finally ended their Gameday losing streak by beating Temple this week. We should have taken them out with just a jab, but we unfortunately needed that straight right too because they were more tough than a shirtless dude from Fifth and Washington. No offense to Karabo, but I'm pretty sure no one even knew Temple had a football team, much less a Division I football team.

Major props to Temple though for playing one hell of a game and keeping Notre Dame on its toes. CJs was not that great even though CJs can typically be counted on dishing out the stomach pain. To be honest, I'm not sure if I actually mean CJs the restaurant and its Super pub burger or CJ Prosise. QB Kizer was definitely on his toes running when he ran for 79 yards. Pretty sure Kizer can run a 40 under 4.5 seconds as opposed to Temple players who knowledge of a 40 under 4.5 seconds is vastly different.

The theme of this game was: The Backer is always clutch. This includes Kizer, the quarterback who was actually the backer to the original quarterback, and Keivarae Russell the cornerbacker. In the Temple game, he constantly got burned for major yardage. But in typical boom or bust fashion, he came out of no where for the game ending interception. With this deus ex machina play, this Notre Dame CFP story can advance.

This weekend, we also saw Brian Kelly get really mad for the 50th time. If he gets mad one more time with a beet-red face, he should just change his name to Machine Gun Kelly and switch to a rapping career. It's too bad FX canceled Charlie Sheen's show "Anger Management" because Brian Kelly would have been an excellent guest star.

Now for every time that we attribute our scoring prowess to divine intervention, science comes around and slaps us in the face. And I'm not talking about the more controversial debates because those shouldn't even be debates. I'm talking about the targeting call on Elijah Shumate that will cost us a starter for a half next week. When one's helmet is coming down after a jump and another helmet is running in that same direction as they meet, it's called gravity. Unlike the comforting feeling of listening to a Sara Bareilles song during a breakup, Gravity just didn't do us any favors here. Whatever. Go Irish.

A Day in the Life: Craigslisting (Part II)

Each week a different student will provide commentary regarding his/her law school experience.

Law school is expensive. Luckily, one man's trash is another's treasure. I'll be scouring the greatest treasure chest of all, South Bend's Craigslist Free, to bring you penny-pinching tips and tricks every two weeks.

Here's the latest highlights:

It can be hard to find time to exercise during law school, especially for 1Ls. The same goes for dating. Save the time trudging to and from Rolf's this winter AND admire the great abs on the legendary Curtis James Jackson III. Two birds, one stone ladies!

Now, I recognize that Wakarusa is a bit of a drive, but this lunatic is giving away Lactaid MONTHS before it expires! Talk about a steal. Don't sleep on this one.

Like last month, there is always excellent seating floating around Craigslist Free. Not sure why anyone would want to ride a scooter, though.

This is a true Craigslist gem. Save roughly \$150,000/year by moving out of the Foundry!

Double down on the American Dream! After settling into your new place in Edwardsburg, Michigan, take your new 20-footer out. Chuckle lightly when you think of your old classmates working BigLaw jobs to actually **pay** for their yachts. Suckers.

Happy Hunting!

Scooter News

The scooter bandit has clearly influenced his classmates to behave in an equally bandit-y manners. Stay tuned for details.
