**National Spinach Day** Anyone else's mom celebrate this every 3 days growing up?

- Natural Law Lecture given by **Patrick Lee**. “**Moral Status and the Margins of Human Life.**” Room 1140 at 9:00pm. There is literally no more information available on the Law School calendar. Who is this person? I don't know. Why is he talking? You tell me. Who is sponsoring it? Your guess is as good as mine. Is there food? No promises. What else are you doing if you are the law school at 9pm?
- If you are from, live near, or are travelling through Palmdale, CA maybe you should try **Mulligan's** Family Fun Center for pizza, arcade games, laser tag, or go karts. Be mindful of what day you choose to go though because as Michael A. of Colorado Springs, CO put it on Yelp, “**Very fun place. The employees seemed down for the day after Christmas.**”

## FRIDAY, MARCH 27

reflect on LGBT spirituality at Notre Dame and build friendships in an environment that is safe, supportive and accepting of all participants. For more information: <http://campusministry.nd.edu/undergraduate-resources/retreats-pilgrimages/lgbt-retreat/>

## **MISCELLANEOUS:**

- A classmate's phone was taken at the Barrister's Ball Friday night. It is an iPhone 4S in a Speck white and pink case. If you inadvertently took the phone or know where it is, please return it

to lost-and-found at the library circulation desk. No questions will be asked. If you have recently found a flip phone in the last two weeks contact **Matt Wine** or **Brian Israel**.

- Congrats to **Cara Swindlehurst** on organizing a wonderful and successful Barrister's Ball. Make sure you thank her when you see her as she put a lot of work into it.
- **Lexis** presents "**Think Like a Lawyer**" training at various times this week. If you feel law school isn't doing the job and you need some extra indoctrination then come to a session hosted by Lexis representative **Laura Dettinger** at various times throughout the week. Tue. in Room 1315 at 12:30; Tue. in Room 3108 at 4:00; Wed. in Room 1315 at 12:30 or 3:30; Thur. in Room 1315 at 12:30' Thur. in Room 2171 at 4:00; and Fri. in Room 2146 at 9:30.
- 3Ls, **Mandatory Federal Loan Counseling** e-mails went out last week. Remember that you need to get this completed by March 30 and it takes very little time. Check all your graduation orders, announcements, names for degrees, etc. Basically just make sure you read all the e-mails you get from **Anne Hamilton**.
- **The "Shunning"** removes **Brian Israel and Amber Lammers** (thanks for the lunch invite). We have a couple new additions. How many miles has **Carlene Miller** biked at Rolf's on the exercise bike without ever looking to her side and saying hello? Well, at least 10 times, for about 45 minutes per, so I'd say at least 50 miles. Great concentration! **Rachel Krajewski**, your passing by of me at Martin's the other night almost ruined my enjoyment of the ice cream drumsticks (sugar-free) that I had just purchased. Almost!
- Are you wondering about student loan repayment options and which one may be best for you? Have you heard about loan forgiveness programs but aren't sure how to qualify for one of these programs? Do you have other questions about student loan repayment but don't know who to ask? Do you want to learn more about the specific loan repayment assistance program offered by NDLS? You are invited to learn more about "**The Essentials of Student Loan Repayment**" (12:30 PM) on March 23 and "**The NDLS Loan Repayment Assistance Program**" (1:00 PM) on March 23. These presentations are being offered in consecutive sessions in Room 1140 so that you may attend either or both of them. They are geared primarily toward 3Ls, but any law student who has borrowed a student loan is welcome to attend. Additionally, representatives from the Office of Financial Aid will be available in the Commons on Wednesday, March 25, 11 AM to 1 PM, for individual loan counseling. Pizza will be provided to those who RSVP: <http://bit.ly/1q9cPGd>. 😊
- "**Rebuilding Together**" is an awesome chance to get involved with your class in a service project. Each class (2015/2016/2017) are forming teams now to serve on April 11. Reach out to one of your class reps or an SBA office to get more information. Here's a link to the ND SAO FAQ page on the 2015 Rebuilding Together opportunity. <http://sao.nd.edu/events/rebuildingtogether.html> and a link to the story in the South Bend Tribune: [http://www.southbendtribune.com/news/local/rebuilding-together-needs-volunteers/article\\_12826b26-10c7-5087-a49d-de671ce79d63.html](http://www.southbendtribune.com/news/local/rebuilding-together-needs-volunteers/article_12826b26-10c7-5087-a49d-de671ce79d63.html)

Food will not be pizza! 😊 A police detective falls in love with the woman whose murder he is investigating. This film was nominated for 5 Academy Awards, winning one.

### GET TO KNOW SOMEONE

As my weekend got a little full and I did not have time to vet a new candidate I picked the first law school person off my Facebook feed. The lucky winner...**Elizabeth O'Connor**. Just know that my information is based on speculative evidence deduced from Facebook. Asking her to verify is strongly suggested and conveniently also serves the purpose of ice breaking. You have no excuse not to say hello now. A 3L from Omaha, Nebraska, she is a big fan of Peyton Manning and steak. Contrary to popular belief (that is anyone living outside the state of Nebraska) Nebraska does have more than one college. Elizabeth attended the other one, the University of Nebraska-Omaha. Their mascot is "Durango" a red bull though they are called the Mavericks, not the Bulls? That is bull! Liz (I am assuming she uses that nickname) likes Sea Salt Caramels, ice hockey, baseball, photography, avoiding photographs being taken of just her (see the only one I could find of just her and she still pulled a horse into the frame), cats and dogs (just pick one like a normal person), some guy named Mike, and thinks the Cornhuskers are a "real college football team." Elizabeth is

really awesome though so make sure to say hi the next time you see her even if it is just to finally meet someone from Nebraska for the first time in your life.

### **NEWEST NOTRE DAME FAN!**

**Henry "Hank" Thomas Wine** was born at 5:59pm on Friday, March 20. 7lb. 2oz. and 20 inches long. Mother and baby are doing well. Molly is excited to be a new big sister.

### **GUESS WHO (Which Faculty or Staff?)**

I am sorry, but this category is being officially retired. No professor or staff has even tried to top last week's photo and I am deciding to go out on top like John Elway. If someone has a photo that could coax this category out of retirement I am always willing to reconsider.

**Last Week's Answer?** 1987 was a great year for this high school senior. **Professor Julian Velasco** was rocking a Footloose hairdo, was convinced he had a mustache, and was listening to Bruce Springsteen on his Walkman. The most mentioned item from last week's viewers was the surprisingly visible clip on bow tie. Classic!
