WELCOME BACK STUDENTS!!!!!!!!!! Faculty and staff, ehhhh.

Winter has arrived.

Do you want to build a snowman?

It doesn't have to be a snowman. (Now that is some talent).

WEDNESDAY, JAN. 14 (jam packed with things to do, hard to pick the best one, but here it is)

- 🖱️ **Real Event Alert: Physics Colloquium.** In case you were wondering if drip line beta decays to probe thermonuclear astrophysical explosions, you are in luck. **Dr. Chris Wrede**, from Michigan State University will give you the answer at Nieuwland Science Hall from 4:00 - 5:00.

SATURDAY, JAN. 17

MISCELLANEOUS:

- Legal Voices for Children and Youth has teamed up with Big Brothers Big Sisters of St. Joseph County. If you are a 1L or 2L and would like to become a mentor for a child in need, please contact **Neysa Nankervis** at nnankerv@nd.edu.

Amanda Kozar teaches this youngster how to write upside down.

Greg Richtouni shows this kid the importance of not wearing a hat indoors. At least he put out his cigarette.

- The **University is providing shuttle services** for staff, faculty, and students. It is important that you utilize the shuttle if you want to keep this service as they are doing counts over the next couple of weeks. The shuttle service is invaluable to staff and do you really want to hoof it through the snow and wind when you can take a bus that is constantly running for you? Nearest pick up and drop off to the law school is McKenna Hall (conveniently right next door). <http://construction.nd.edu/campus-shuttles/>
- **For 3Ls**, remember to register for a bar review course, register for the bar exam, MPRE (if you still haven't taken it) and do all the other graduation and bar applications you need to do. You can visit the CDO for more information if you need it.
- Reminder, the MMU is for wonderful announcements also. Engagements, weddings, truces, births, awards, or other worthy items...let me know so I can put a tidbit in for you.

-
- **Access Group will host two free webinars designed to provide timely information about loan repayment to your students and graduates.**

Federal Loan Repayment 101: Free Webinar

- **“The Shunning”** now removes **Krissie Connolly** from the list as Florida State and Jameis Winston lost a heartbreakingly close game to Oregon. Added to the list is **Amber Lammers**. You

spent Christmas break in your tiny hometown in Missouri, 15 miles from me and never said let's "hang out" or "go to the riverboat casino?"

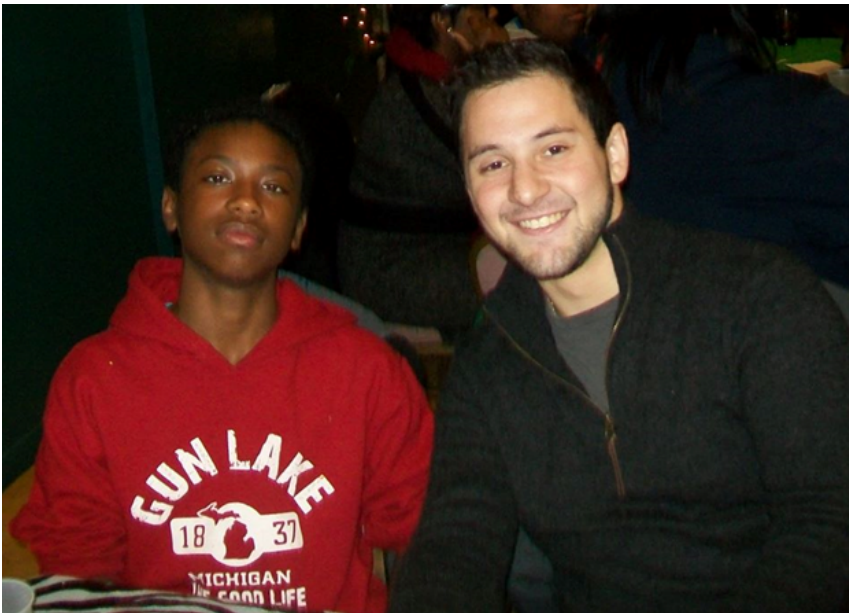

FATHER MIKE SHOW!!!

So the show is being hosted on Feb. 25th at Legends and it will be here before we know it. Our volunteer committee is working hard at planning a great show but we need your help via talent performances, music performances, skits, stand up comedy, magic, video productions, etc. Sign up by Feb. 11th if you want to be included. There will be great food, wonderful auction items, a raffle, and feats of strength and wonder. More information will continue to trickle out in the coming weeks.

GET TO KNOW SOMEONE

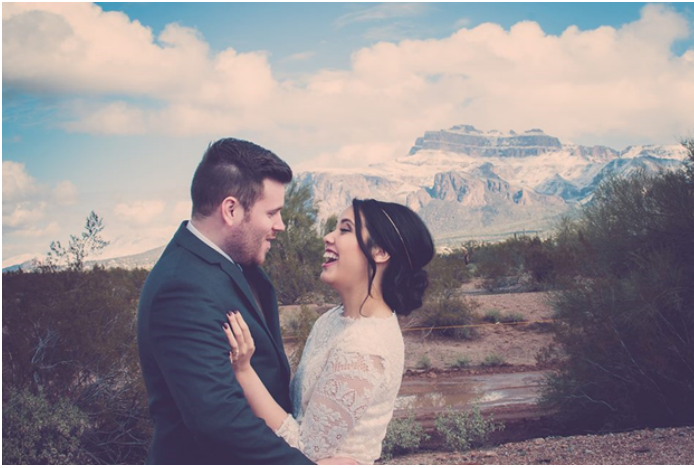

I gave **Nick Vozzo** three days to choose a photo for me to use in this segment. His failure to provide one in a timely manner resulted in me choosing this high school photo of Nick (see above left where he proves he is a proud member of “Wildcat Nation”). Is that really a “Butterfly Effect” movie poster, starring Ashton Kutcher on your bedroom wall? Nick wants everyone to shut up about the snow already. One of the bazillion members of our Buffalo, NY contingency, he believes we don’t know what real snow is and I tend to believe him. An interesting fact that people usually don’t find out about Nick until much later is that he is Italian. That is probably why his first love is food, particularly chicken wings, although “no one does the sauce right unless you are in Buffalo.” I guess if you can’t have good weather, the Sabres are terrible, the Bills can’t win (4 consecutive Super Bowl losses) and their greatest player ever is O.J. Simpson, not to mention the World’s Fair you hosted ended up having President McKinley assassinated, then you at least better get the chicken wing sauce right. Nick is also a member of Big Brothers/Big Sisters, thus the more recent photo of him above. He admits that his undershirt still says “Wildcat Nation.” Nick’s favorite part of Christmas was getting to spend with his family, specifically the time spent playing Call of Duty with his brother who was home from San Francisco, CA. Really though, when Nick isn’t studying, volunteering, eating at Bar Bici (he recommends steak pancetta) or practicing for mock trial (he just went to nationals), you can chat him up and have a great conversation because he is the friendliest and most genuine guy you will ever meet. Say hi to Nick when you get a chance and ask him what other movie posters he had up because God only knows.

WHAT THE WHAT!

- **Ariell Bratton** got hitched. Technically she had been hitched, but they had a big party and a honeymoon vacation over break. Where did they go? A Caribbean cruise. Congrats to Ariell and Caleb.

GUESS WHO?

Can you tell who the attractive young lady is sitting down for her National Honor Society picture at Colorado's Arvada West High School via 1980?
