From Technology

New WiFi Service Available

The University of Notre Dame is part of the eduroam

consortium. This service enables members of the Notre Dame community who visit another institution that uses eduroam to automatically use WiFi at that location based on their ND credentials. Similarly, visitors from institutions that participate in eduroam can use guest wireless access at Notre Dame using their home institution account information without the need for an ND sponsor and creation of a guest account. > [Full Story](#)

Question of the Week

What are your favorite beaches within driving distance of South Bend?

Wendy Barnes shared the following:

- My Favorite Beach: [Tower Hill, Warren Dunes State Park](#) in Sawyer, Michigan. *Close enough to South Bend, a massive sand dune to climb, clay patches along the creek for the kids to play in; and it's always clean!*
- My Second Favorite Beach: [New Buffalo's public beach](#) in New Buffalo, Michigan. *Easy parking, food at the mini-concession stand, plus my favorite burger joint is Stray Dog which is a 10 minute walk from the beach!*
- My Third Favorite Beach: My friend's house in Harbert – *sorry, this one is private.*
- My Fourth Favorite Beach: [Silver Beach](#) in St. Joseph, Michigan. *Lots of stuff to do on the beach – great play area for little ones, food at the concession stand, oh and the pizza place close to the beach is awesome. St. Joseph is a nice little lake town as well—different things to do for different age groups.*

From Joe Reimers we share another beach that is within driving distance of South Bend. That is to say, earlier this year he and his wife Chris drove to Florida, and hopped on a cruise line that took them here! (Joe took this photo at Serenity Bay on Castaway Cay, in the Bahamas).

We're looking for responses for next week's Question of the Week: *What is your favorite restaurant for outdoor dining?* **Please e-mail us your answer by 3:00 p.m. on Monday, July 16th!**

NDLS Classifieds

From Beth Given: *For any of you who have kids or grand-kids who may be interested, my sister just finished a book she has been writing, which she self-published and*

*made available on Amazon for Kindle. (i.e., available if you have a Kindle reader or a Kindle app on your iPhone or iPad). It's an A to Z book (A is for Amina, B is for Boadicea, C is for Catherine, D is for Diana, and so on...) aimed at a young audience, probably elementary or middle school readers, focusing on the lives of princesses throughout history. It is not a picture book; there are a few imagines, but mostly just text. The title is [P is for Princess: The Extraordinary Lives of 26 Real-Life Princesses](#) by Kerry Given. I'm proud of my sister, so I just had to share! Cheers,
Beth*
