Ted: I look stupid.

John Bennett: No, you don't. You look dapper.

Ted: I don't! I look like Snuggles accountant.

John Bennett: Come on. It's not that bad.

Ted: John, I look like something you give to your kid when you tell 'em Grandma died.

John Bennett: Look, I know it [isn't cool], okay? But you gotta make some money so you can pay for an apartment.

Ted: I don't wanna work at a grocery store.

John Bennett: Yeah, but you have no skills.

Ted: I told you, I can totally be a lawyer.

- Point on which reasonable people can disagree: Kevin Costner still has it. Discuss.

- **CDO Professional Development Series:** Resume & Cover Letter Prep. Room 1130 at 12:30. Sometimes it is the little things like punctuation and spell check that make a big difference. Food: One guess. RSVP here: <http://bit.ly/1q9cPGd>

- Desperate for more abstract legal thought? **PAD & BLSA** present “**Deconstructing Legal Analysis.**” Courtroom at 12:30. Pizza provided. SUNDAY, Sept. 28

- **Women's Tennis** Invitational is going on all day at the Eck Tennis Pavilion.
- **Mass**, 4:30 in the Law School chapel.
- Proving once and for all that breakfast for dinner really is a blessed event, **The St. Thomas More Society Supper Club** will be having dinner at Trade Winds at 5:30. Professor Pojonowski will be joining the group. Never heard of Trade Winds? Me either, but they did get 4 stars on Yelp. However, Ed J. from Granger, IN recently commented that "This server fought me when I asked for a white (bigger) cup for my coffee (which is outstanding). Ten minutes later, as soon as another customer came in, she handed him a white cup without asking! She wouldn't look at me." And if you think it couldn't get worse for Ed...it did. "How do you even make tasteless butter?"
- **Derek Jeter's final Major League baseball game being played at Fenway Park**. All baseball fans, all sports fans, please stand, remove your caps, and applaud.

MISCELLANEOUS

- **Piggy bank a little full? There is new merchandise available in the SBA store. Come get your gear and help support student activities.**
- Congratulations to the 1Ls who won the Powderpuff football tournament by defeating the 3Ls. Now follow me: The 1Ls essentially tied the 2Ls because they were tied when a game ending injury occurred. This was never clarified by the officials. The 1Ls then beat the 3Ls. The 3Ls, fresh off their defeat, took out their frustrations on the 2Ls who were down at least one woman. So we have the 1Ls at 1-0-1, the 2Ls at 0-1-1, and the 3Ls at 1-1-0.

GET TO KNOW A STUDENT/STAFF/FACULTY MEMBER

A double dose this week. Mary Castillo (Left) and Neysa Nankervis (Right) were thrust into action this weekend during the mock trials of the Intensive Trial Advocacy course. Were they smiling when the verdict came in from the jury? You will have to ask them. Neysa is a California girl with a giant heart and even bigger smile. If you think you have met someone friendlier...you haven't. She loves to surf (or at least stand on the beach with a giant surfboard and have her photo taken)and hang out with friends, so say hello to her and see if she wants to hang out. Mary is from Tampa, Florida and cheers for all things Tampa (even the Bucs?). Surprisingly, she says she prefers the Florida winters. Her musical tastes span a very narrow spectrum from Eminem to Frank Sinatra, so good luck getting her to dance to anything at Fall Ball. Mary and Neysa are both awesome, so don't be shy, introduce yourselves to them as they are now famous.

LOST AND FOUND ITEM OF THE WEEK

No claims were made on the jewelry last week (held at the Circulation Desk), so we will give it one more go. Take a good look as we have to move on to another set of lost items next week. As a bonus item this week, this gently used eraser appears to have been abandoned at the Computer Help Desk in the 3rd Floor Computer Lab.
