I'm sorry this is a little late, babycakes. I was in a wedding last night (I looked phenomenal, thanks for asking), so we're a little tardy this morning. Forgive me?

Hey, bbs,

I was a groomsman in a wedding last night. Wow. What a time. This e-mail is, as you may have noticed, late. Get over it. Worse things have happened to you.

I'm trying to subvert your expectations, and I know it worked.

Help me figure something out. If you are at "brunch," but there's no breakfast, can it possibly, ever, ever ever, be called "brunch?"

I'd posit that it cannot. It's missing the first two letters. Simply, just because a meal occurs at a certain time does NOT make it that type of meal. I welcome good opinions.

1L OF THE WEEK

The 1L of the week is Nick Osterman! Nick was told to do this, and he did it, which was very kind.

Q: New First Question! Please tell me everything you know about Reddit, the website for infidels, like myself.

A: Umm... I used Reddit to find out all the important information about Law School, and that's all I know about Reddit. it's like... a posting forum? Where a bunch of kids could talk about how they got 175s on the LSAT and make other people feel bad about it.

Q: Okay, back to normal. Where did you attend undergrad?

A: Marquette University in Milwaukee, Wisconsin.

Q: Where is your hometown?

A: Beaver Dam, Wisconsin. It's about 30 mins outside of Madison, so all my friends went to Wisconsin, and i decided I was going to be rebellious and go to Marquette.

Q: What did you do before law school?

A: I graduated in 2017 and took one year off. I worked at a boutique Anti-Trust firm in Chicago, Vanek, Vickers, & Masini.

Q: Have you picked a side in the ongoing feud between Cardi B and Nicki Minaj?

A: Big Cardi B fan. Yep. That's what I listen to every morning when I wake up.

Q: Can you tell the difference between the new iPhone and the old iPhone? If so, what is the difference? They seem the same.

A: I was actually trying to figure that out when I purchased the iPhone 8 Plus. The reason for that, like Eric said, is the button. I also felt like the screen was bigger; I felt the bezel was not great on the iPhone X, also. I want the animojis, though.

Q: What's the coolest animal you have ever seen?

A: [Platypus](#). Yeah. I saw a [platypus](#) in the Dallas zoo.

Q: Are you excited for hockey season?

A: To watch or to play? Excited to play it and looking for a beer league here, and definitely excited for hockey season. I don't follow as closely as I want to, but I'm an avs.

Q: October is right around the corner - What's your favorite horror movie of all time?

A: Texas Chainsaw Massacre.

Q: Who was the best of the three witches in Hocus Pocus, you know, the famous film?

A: Could you remind me of their names?

I could not

Nick: How am I doing?

Me: You're doing great, son. You're doing great.

Q: Would you consider yourself a pumpkin spice latte guy?

A: Ummm, no, I'm more of a salted caramel macchiato** guy.

**I spelled that right on the first try. I bet you can't do the same. Lol.

Q: Do you have anything else you'd like to say to all of your fans?

A: I think I'm going to say no.

Q: Who do you nominate to talk to me next week because of my personal fear of picking a random 1L to ask? Please, say someone female, because it's been dudes every week since Cassidy started this Twin-A-Palooza.

A: You need a female? Do you want a real cool one? Let's go with Bailey Hans. You'll have to find out if she's really cool or not.

*I'm sure she is, Nick.

#3LOL OF THE WEEK

For the sake of time, I am taking a hiatus from the 3LOL of the week. But guess what? It's half written. When I say half, though, I mean I wrote the intro, picked the person (he was voluntold), and did nothing else. Basta.

Long Reads of the Week

- [Speak Truth to Power](#)
 - We must speak truth to the power of all that threatens to keep women and girls silent in the face of sexual violence.

Have a good week! Go Irish!
