Father Mike Scheduled: Tuesday, March 26

As most of you may know, the Father Mike Show will be coming in the Spring and I am in charge of running it this year. For the 1Ls and new students to NDLS, the Father Mike Show is essentially a variety show featuring musical acts, exceptionally gifted law students displaying their talents, many auctions for cool events with professors around South Bend, and funny skits and videos. Think SNL but 3 hours long and only featuring law students and faculty. The event is named in honor of the Rev. Michael Dillon McCafferty, a beloved Law School faculty member and assistant dean who died of lymphatic cancer in 1987.

I will be putting together the Committee over the next two weeks to help plan and organize the event. **I am in desperate need of 1Ls, 2Ls, and LL.M students (and any 3Ls who think they will still care about anything second semester besides bowling) to help me plan the event, write skits, film videos, and do other random stuff to help make sure the event is the best it has ever been.**

Benefits:

- You get to hang out with me for about an hour every week next semester
- You get back-stage, VIP access during the event
- Line on your resume
- Escape from the monotony of law school life

I will send out an email announcing the meeting time for after break for any interested. It will take only 15 minutes of your time and you don't have to worry about this until next semester. PLEASE HELP ME!

Legal Voices for Children & Youth Christmas Drive

LVCY is helping out the Salvation Army with Angel Tree donations and welcomes anyone who wants to help us out to sign up for one (or as many as you want) child to buy presents for! The presents go to families that have trouble affording Christmas presents. When you sign up you'll be given a tag (like the one below) with info about the child! We ask that you stick to the items on the tag since they pair with Toys for Tots so they don't want too many toys and not enough clothes. If you are able to help, please sign up using this link. If you have any questions or want to get more involved feel free to reach out to Alissa Griffin agriffi9@nd.edu or Alli Hostetler ahostet1@nd.edu

Here is the sign up link: https://docs.google.com/spreadsheets/d/1EDJOREYLH6uU2SvouYATuvX_BvO0Q5AjzbWI9ZQJ-to/edit?usp=sharing

How the Grinch Stole #Content

My dears,

What have icebergs ever actually done for us? Think about it. Sure, they keep the entire global climate cool and our continued refusal to do anything about the warming climate, icebergs will punish our world by melting and ruining everything, but like, what have they done *late*ly? They were the primary villain in Titanic. They make polar bears very sad. They hide most of their bodies underwater so that we cannot see them without machines. Icebergs are environmental equivalent of a person with photoshop.

EDIT @ 12:39 p.m.: WE'RE IN THE COLLEGE FOOTBALL PLAYOFF
LOLOLOL PURDUE > OHIO STATE > MICHIGAN (TOO BAD THEY DIDN'T
PLAY US LATER IN THE SEASON AND NOT OSU AMIRITE)
GOODBYE!!!!!!!!!!!!

SONG OF THE WEEK - [Hey Ya!](#) - Outkast

Finals Theme: MEME OF THE WEEK -

1L OF THE WEEK

The 1L of the week is Connor Barrett! He graciously gave some time away from his studies to talk to me this week. Buy him coffee for that, and, of course, because he is a 1L in desperate need of caffeine.

LOOK AT THAT DOG

Q: Where is your hometown?

A: I'm from Bend, Oregon.

Q: Where did you attend undergrad?

A: I went to Pepperdine University in Malibu. Pretty tough place to go to school.

Q: What's your favorite non-law school activity?

A: Just hanging out with people, socializing, I think. Not talking about law school. Or skiing.

Q: How's your fantasy football team doing?

A: I don't have* a fantasy football team.

*so, his team is doing poorly.

Q: What's the coolest animal you have ever seen?

A: I knew you were going to ask this question and I tried to think in advance. In Malibu, there were all sorts of bugs. There were these rhinoceros beetles that

were pretty cool.

**** LIGHTNING ROUND****

Q: Crickets or grasshoppers?

A: Crickets.

Q: Milk or Orange Juice?

A: Milk.

Q: Candles or Lamps?

A: Candles.

Q: High Fives or Low Fives?

A: High Fives

Q: Krusty Krab or Patrick Star?

A: Krusty Krab.

Q: How many points will the Irish beat Clemson by?

A: Ooooo. I think it will be closer than the last couple of games, but still by a touchdown.

Q: Do you have anything else you'd like to say to all of your fans?

A: Uhhh, no. Stay alive. Avoid the law school during this frightful time.

Long Reads of the Week

- [A Business With No End](#)
 - Where does this strange empire start or stop?
 - H/T goes to Marlee Piette for recommending what I think might be the most interesting, compelling, and weird story I think I've ever read. Watch the video. It's amazing.
- [Louisiana School Made Headlines for Sending Black Kids to Elite Colleges. Here's the Reality.](#)
 - T.M. Landry, a school in small-town Louisiana, has garnered national attention for vaulting its underprivileged black students to elite colleges. But the school cut corners and doctored college applications.
- VIDEO INCLUDED; also TW, harassment: [RESEARCHERS BUILT A SMART DRESS TO SHOW HOW OFTEN WOMEN ARE GROPED AT CLUBS](#)
 - So, this is horrifying. Hey, dudes - why don't we all stop being so gross and terrible? Great. Thank you, this has been my Ted Talk.
- [CALIFORNIA: State of Change](#)
 - This portfolio is the first publication from **Past Tense**, an archival storytelling project of The New York Times. As we digitize some six million photo prints in our files, dating back more than 100 years, we are using those images to bring the events and characters of the

past to life in the present. To enhance these photographs' value as artifacts and research tools, we are presenting these images with some of the "metadata" from the reverse side of each print.

- [How a future Trump Cabinet member gave a serial sex abuser the deal of a lifetime](#)
 - Jeffrey Epstein allegedly assaulted dozens of underage girls, many repeatedly. His plea deal led to just 13 months in jail, was kept from his victims, and protects his abettors from prosecution. The prosecutor who approved the deal is now the U.S. Labor Secretary. How?
- ['I Don't Want To Shoot You, Brother'](#)
 - A shocking story of police and lethal force. Just not the one you might expect.

Have a good week! Go Irish!
