UNIVERSITY OF
NOTRE DAME

The Law School

Monday Morning Update

March 18 - March 24

NDLS,

Welcome back! There's so much basketball right now, which is glorious, unless you're a team that I like. Then, things aren't good for you. Sorry, Illinois Fighting Illini Otters and Notre Dame Fighting St. Patrick's Days.

Go Irish,
Bill

Class of 2019: Commencement Reminders

Grad Fair: [The Grad Fair is tomorrow](#) (Tuesday, March 19) at the Hammes Bookstore. Go there to rent your cap and gown. If you can't make it to the Grad Fair, visit the Bookstore between March 20 and April 19.

Grad App: Thursday, March 21, is the deadline to complete your Graduation Application. The University Registrar emailed you a link to your application on March 1. You really do need to complete it!

Prayer Service Tickets: You received an email on March 6 ([read it here](#)) that included a form to request tickets for family and friends who want to attend the Law School's Commencement Prayer Service. Fill out the form as soon as you can to make sure you get tickets.

REMINDER: Submitting Events to the MMU

I know we are all busy, but when you submit events to the MMU, as a reminder, please, please, *please* help me out (and save me time by getting all the things you want in your announcement!). Things were better for a while, but recently submissions have gotten a little out of hand. Please do the following when submitting to the MMU:

- Send me your event information as text (preferably as bullets), not as a block of explanation that I have to mine for information to distill
- Don't just send me your poster and hope it all gets in. Send me the information as text, or, preferably, as bullet-points.
- **Send the information to this email:**
mondaymorningupdate@gmail.com before 5 PM on Sundays.
- Or! use the form attached to each MMU! It's really easy and made so you all don't randomly text me very late at night when I'm tired.
- Help me help YOU! I'm a busy person also and try to make it easy to submit and also try hard each week to put out a good newsletter. Help me out here.
- If you don't do these things, I know you didn't take a few seconds to search your e-mail to read how to submit to the MMU.

Also, after you submit to MMU, please resist the urge to e-mail blast/facebook blast/etc. People complain all the time about oversaturation of information; this is a one-stop shop for people to find events and not get spammed. I will now step down from my soapbox.

Mass Schedule

For the Spring 2019 semester, Masses will be offered in the St. Thomas More Chapel as follows:

- Monday-Thursday, 5:15 PM (h/t Christine Holst!)
- Friday, 12:30 PM
- Sunday, 4:30 PM

Weekly Morning Prayer

CLS Morning Prayer at 7:30AM on Tuesdays in the Commons. Contact Crissi Wilbur at cwilbur@nd.edu for more information.

#Content

My lil' sun-kissed fresh-off-spring-break-bugaboos,

Welcome back. Hope everyone had a nice break and got a chance to recharge as we zoom to the end of the semester.

White supremacy is (as it was before) a really horrible thing. I had a long psuedo-OpEd typed in this space about how the President's rhetoric is also horrifying and inflames the worser passions of people like those in Christchurch which (as evident by my brevity) I deleted. You're welcome.

If only you knew my thoughts! They were a totally innovative and completely new take on the news that you couldn't just find on any old Twitter feed. Instead, here's a good song and meme. Also, as a reminder, J.K. Rowling is into a new genre of book: ruining all of our childhoods.

SONG OF THE WEEK - [Gold on the Ceiling](#) - The Black Keys

MEME OF THE WEEK -

Using a calculator to make sure $4+3$ equals 7 on a test

1L OF THE WEEK

The 1L of the week is Daniela Johnson Restrepo! Daniela spent all day travelling and STILL took the time to talk to me. What a champion. She has led an interesting life, and likes soccer and electronic music, so basically she's my new personal hero. Buy her a coffee! Also, look at this dog!!!!

Q: Where are you from?

A: So umm, my mom's Colombian, my Dad's from England. Bogota, Oxford, respectfully.

Q: Where did you attend undergrad?

A: Umm, I went to Harvard.

Q: How was your break? Tell me about a fun thing you did.

A: Okay, well, umm, my break was GREAT. I went to Colombia! Oh! I went to - well this is kind of long-winded - I went to this region in the south where all of

the guerillas were camped throughout the armed conflict. But now they've demobilized so we went to visit a camp. I went there two years ago right when they were giving up their weapons; it's beautiful. But after 50 years of war it's interesting to see them as civilians.

Q: What's your favorite hobby?

A: Definitely swimming and, um, I've very into electronic music, so I spend a lot of time on soundcloud.

Q: Rose Mooney told me you are very #hip and #up on music. Tell me about an artist I should be paying attention to.

A: Ooooo. Umm! I was originally into Bassnectar/Skrillex. But now, I would say Malaa is very cool, great DJ. But a DJ that you should look out for is KASHMR. I think his mom is from Kashmir and so he goes there and makes music from sounds from instruments in Kashmir. He makes stories and brings out local musicians - it's really cool.

Q: My alma mater, the University of Illinois, is changing its mascot to an Otter. Is this a good thing?

A: Well, I love otters. But I am supportive because of the reasons you said* just now.

*From Bill: A little background. A) U of I has been in a long process of changing its "mascot" from The Fighting Illini, represented by a "Chief" that many (including myself) found offensive. The new rumor is that we will be called "The Alma Otters," which is cute, cuddly, and googly-eyed. I told Daniela this and she was kind enough to indulge my fandom.

Q: Have you filled out your March Madness Bracket yet? Who wins?

A: Oh god, I do not follow March Madness and it's so bad. I'm more into soccer.

[I told Daniela who the #1 seeds were]

I think Duke, actually.

**** LIGHTNING ROUND****

Q: Quid Pro or Quid Quo?

A: Quid Pro

Q: Yes or no: MOMO?

A: No

Q: Basket Ball or Basket Weaving?

A: Basketball

Q: Drip or dab?

A: Yikes, Drip!

Q: Sheep or Schoop's?

A: Schoop's

Q: Do you have anything else you'd like to say to all of your fans?

A: Ummm, we're so close to being done for the semester!! SO CLOSE! PUSH THROUGH, PEOPLE.

Q: Who should be 1L of the week next week?

A: Catherine Braun.

Long Reads of the Week

Long week off? How about some long reads for that brain of yours to further procrastinate those outlines?

- [White Nationalism's Deep American Roots](#)
 - A long-overdue excavation of the book that Hitler called his “bible,” and the man who wrote it
- [The Making of the Fox News White House](#)
 - Fox News has always been partisan. But has it become propaganda?
- [How to Be A Better Listener](#)
 - Listening can feel at times like a lost art, maybe because we are communicating so much more electronically. That's too bad, because being a good listener can help you in every aspect of your life – with family and friends, and with your colleagues at work. Want to up your listening game? Here are some tips I've learned from conducting hundreds of interviews over a 30-year career in journalism.
- [The Tragedy of Baltimore](#)
 - Since Freddie Gray's death in 2015, violent crime has spiked to levels unseen for a quarter century. Inside the crackup of an American city.
- [When 'Captain Marvel' Became a Target, the Rules Changed](#)
 - Brie Larson in “Captain Marvel.” Her role and outspokenness about diversity drew social media trolls who tried to torpedo the film. Rotten Tomatoes took them on.
- [Steak, booze and a sense of dull dread: Here's what really happens at the NFL combine](#)
 - From his suite, this GM can barely read the names and numbers on their jerseys, so he watches on TV. Like most guys, he has an iPad where the stats and scores and results automatically update in his draft software. Except the results are always posted faster on the live television broadcast than in his own system. That's what cues his sense of dull dread: If I can just watch this on television, and if I don't even really care about the results anyway, then why exactly am I here?

Have a good week! Go Irish!
