Big week ahead. More below.

My lil' Irish doubloons,

I'm wearing leggings right now. Could you tell?

Honestly though, it's chilly in my house and I'm trying to stay warm while I watch basketball. Sure, my bracket was busted decades ago. But that matters not. I am a simple man in need of simple basketball.

I also noticed that elections will be held this week, which means my reign of terror over the MMU is nearing its end. That's bittersweet. On the one hand, it was definitely a reign, which connotes royalty and power. Luke was never quite able to keep my unending power, determination, and will to win in check. I'm sure it's something the both of us will ponder for the remainder of our careers.

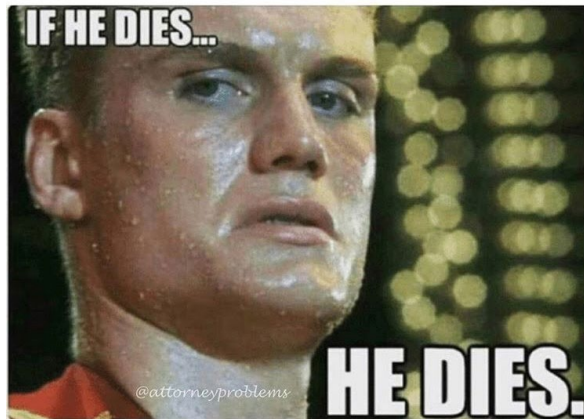

On the other hand, I have a sense of relief in handing off the torch to whoever my successor will be. Hope you like: (1) using mailchimp; (2) having people not read your e-mails; (3) having those same people complain to you that they don't know what's happening; and (4) having unending power over the schedule of the student body. But seriously, it's been a fun ride that I'll fully reflect more upon in a coming issue of this newsletter. If you are wondering what being Secretary is like, feel free to ask me (after Father Mike, please :)).

MEME OF THE WEEK -

“Are you sure your associate can finish the motion in one night?”

Me:

1L OF THE WEEK

The 1L of the week is Braeden Lord!

Q: Where are you from?

A: I am from a neighborhood called Rogers Park on the north side of Chicago.

Q: Where did you attend undergrad?

A: Boston College.

Q: What's your favorite hobby?

A: Probably seeing live music. I go to all types of concerts, but specifically

house and techno music. The last show I've seen was one my own shows at SmartBar. I'm not a DJ but I started a little house music record label between undergraduate and law school. We put on concerts and raise money for charity -- it's a smashing good time.

Q: April fools! Did I get you?

A: You got me!! I was expecting a question and it was a reminder of the day tomorrow is.

Q: What's one of your hot takes?

A: Hot takes.... uhhh Chicago is the best city in America.*

*Note: I allow this in spite of the fact that this take is not ~hot~ It is, at most, lukewarm. Braeden is obviously right and most people know this.

Q: This isn't a question, but I had a really hard time spelling your name correctly when I texted you asking you to do this. It's not that it's a hard name, but I thought you should know.

A: I get really weird spellings all the time. I just went to Starbucks and I got B-R-E-I-D-A-N on the cup. But nobody could spell it. It's a Celtic spelling. I thought it meant broad and strong, that's what my dad always told me, but apparently it means fish. So that's my name.

Q: How do you feel about Coke's new flavor, Orange-vanilla Coke?

A: Ooo. Haven't tried it. Was a fan of orange creamcicle for a while in my youth. So I support the creativity.

Q: Has anyone ever shook your hand for too long? How was that?

A: Oo. Shook my hand for too long. OH, someone at the 1L networking event, an attorney at the 1L networking event. But hey - I wanna be employed, so I went with it.

**** LIGHTNING ROUND****

Q: Cats or dogs?

A: Dogs

Q: Lock, stock, or two smoking barrels?

A: Two smoking barrels

Q: The Mountain or The Hound?

A: The Hound. That seems like the first question, though.**

**It's not. I reminded Braeden that GOT exists, and he is forgiven for misconstruing the question.

Q: ESPN or ESP?

A: ESP

Q: Starbursts: Red or Pink?

A: Pink

Q: Do you have anything else you'd like to say to all of your fans?

A: Uhhh - *Kites fly highest against the wind.*

Q: Who should be 1L of the week next week?

A: Molly Connor - a fellow Boston College Eagle.
