#MargesMusings

Hello NDLS!

It's finally here...the last MMU of the school year. Kind of crazy to think another year has come and gone here at NDLS. 3Ls, as your time at NDLS comes to an end, I know your heart is sad knowing you will not have these happy emails

to greet you each Monday. But your Notre Dame family wishes you the best of luck as you start out on this next phase in your legal career. Always remember, you are a Different Kind of Lawyer!

1Ls & 2Ls, don't you worry, I'll be back and better than ever next year! See all of y'all in the Fall!

Now, I have a mini-rant...

In case you missed it...IT SNOWED THIS WEEKEND! Saturday, April 27, 2019, we were graced with yet another light dusting of frozen flurries. There I was, sitting in Hesburgh trying to comprehend the confounding doctrine known as Chevron, when I look outside to find snow falling from the sky. Needless to say I was distraught. I had shorts on the day before! How could there be snow today?! Fast forward to Sunday morning's walk to school: I was heartbroken to see all the pretty tulips and daffodils on my walk to school hanging their heads because they couldn't handle the snow. Then "SURPRISE!" out came the sun to bring us back to a nice, springy 55 degrees. It was a rollercoaster of emotions (and temperatures) that I just did not need right now.

Some of you may say I'm being dramatic, that this is just "Springtime in the Midwest!" Forgive me, but where I come from the greatest weather change we get this time of year is going from a nice 80 degrees in the morning to a balmy 95 degrees by lunchtime. The thought of snow in April is about as foreign to me as the term "dartying." (Urban Dictionary defines it as "a day-time party." Never knew that was a term-of-art).

Mini-rant over, but I know most of you felt the same way. That's all for this week!

Stay Golden, NDLS

SONG OF THE WEEK - "ME!" -Taylor Swift (You all saw this coming, but have you seen the [music video](#)?)

- studies for 30 minutes but then takes a break for five hours
- desperately in need of a good cry

LAST MINUTE LUKE

- makes everyone else stressed because they're so chill
- always forgets to bring their pens in a clear pencil case

- on the verge of a mental breakdown
- can't stop eating chocolate

1L OF THE WEEK

The 1L of the week is Lauren Vaca! Huge s/o to Lauren for answering my pesky questions in the midst of her finals studying. If you see her this week, buy her a coffee and wish her luck because she's almost done with 1L year!

Q: Where are you from?

A: Livingston, NJ

Q: Where did you attend undergrad?

A: GW (That's "THE George Washington University" as I have often been corrected)

Q: If you could be any kind of dog what would it be and why?

A: A police dog! I know that isn't a breed, but police dogs always look like they are #living #their #best #lives.

Q: If you could be adopted by any NDLS Professor who would you want it to be and why?

A: Professor Gurule because he would be the ultimate motivation to study during finals.

Q: Favorite Games of Thrones character?

A: I don't watch Game of Thrones but my favorite Real Housewife is Bethanny Frankel.

Q: Go-to karaoke song?

A: Ehh, I don't really have one. (Mine is "Pour Some Sugar on Me." I know you all were wondering)

** LIGHTNING ROUND**

Q: French Fries or Onion Rings?

A: Fries

Q: Coke or Pepsi?

A: FOUNTAIN DIET COKE

Q: Seinfeld or Friends?

A: I've never really watched either, but I like Curb Your Enthusiasm so I guess Seinfeld?

(Friends>Seinfeld IMHO)

Q: Ice coffee or hot coffee?

A: Iced Coffee all year

Q: House Targaryen or House Stark?

A: House of Cards (I applaud this third choice)
