Notice for student visitors to Sinai Synagogue

The Sinai Synagogue of South Bend often hosts Notre Dame student visitors during worship services to learn about Judaism either as a class assignment or otherwise. Rabbi Friedland has informed the University that their visitor policy has changed this year and the University has asked us to pass on

by listening attentively in writing conferences, reading papers carefully, and asking questions that can help writers better express their ideas and construct their arguments. Legal Writing Center tutors work with writers during all stages of the writing process—from understanding an assignment, to developing a thesis, to organizing the paper, to revising the final product. Hello NDLS!

We made it through the first week! Round of applause for those of us who went through some life-reassessing and multiple schedule changes before the end of the add/drop period. Now we are ready to face the semester! (Right?)

And what better way to start it off than with a LSU National Championship last Monday AND a lovely blanket of snow. I still just get so excited to watch the snow fall.

Note how I said I just love to watch it. I do not love *walking* in it. So this Monday's morning trek was not too enjoyable. If anyone was wondering if they passed me on their walk to school, I was the one dressed like a human burrito wrapped in scarf, hat, coat, and hood.

But I must say, my driving in snow has vastly improved from my 1L year. I mean, no longer am I drifting off into snow banks--I can now easily keep it between the lines on the road!

....ok my driving wasn't THAT bad, but I definitely didn't drive anyone around in the snow for fear of injury to my passengers. Safety first!

While I may have driving somewhat down, sidewalks are still giving me some trouble as evident by my all-out tumble while walking from my car last night. I'm talking face-first, belly-flop-style fall just before I reached the door to my apartment building. This would not have been quite so terrible if I had not been holding 4 bags of groceries...my carton of milk will never look the same...

So heed my winter warning and walk cautiously, my friends.

Until next time!

Stay Golden, NDLS

Marge

SPORT REPORT

CALLING ALL SPORTS FANATICS!

This semester I am looking for some crowd participation in our sports column. Basketball season is here and I cannot possibly hit all the highlights on my own--I'm just one fan! If anyone is interested in writing a weekly sport report covering some of your favorite teams and sports moments from the previous week, shoot me an email! Can be one person or a team of many--I just need some help! Let me know if you're interested!

PROFESSOR SPOTLIGHT

No Professor Spotlight this week. Why? Well, I opened my MMU inbox, anxious to learn who my next spotlight would be, but sadly the inbox was empty!

Sigh

Maybe we'll have a new professor spotlight next week...but only if one emails me :(
