# A Little Lagniappe

Hello NDLS!

Man, am I in good spirits after this weekend! "Why is this, Marge??" I am so happy you asked. Truly, the weekend was just top notch for me because...there were home hockey games!

There is just something about the Compton arena, the ice hockey band, the fights on the ice, the banging on the glass, and the toddlers that skate around between the periods--I just love it all!

Hot take: I think ND hockey games \*might\* be more fun than ND football games.

Obviously, I love cheering for the Irish no matter the sport. (Just as long as they aren't playing LSU!) But honestly, I think hockey games are so much fun. Perhaps it's because the entire sport of ice hockey was really foreign to me before coming to Notre Dame. Maybe I just like the jerseys. Who knows! All I know is that I am very sad that I only have 2 weekends left to enjoy ND Hockey!

But have no fear, ladies and gents. Just because I'm moving back to Louisiana after graduation does not mean I will be without a team on the ice to cheer for. Shoutout to the Shreveport Mudbugs minor league team for being there to keep my love of hockey alive. As only Louisiana could do, we combined a winter sport with one of our favorite cajun dishes, crawfish. If this sounds too good to be true, 10/10 recommend following their insta @mudbugshockey to take in all \*Louisiana\* hockey has to offer!

That's all I have to say from this weekend!

Until next time!

**Stay Golden, NDLS**

**SPORT REPORT**

## CALLING ALL SPORTS FANATICS!

This semester I am looking for some crowd participation in our sports column. Basketball season is here and I cannot possibly hit all the highlights on my own--I'm just one fan! If anyone is interested in writing a weekly sport report covering some of your favorite teams and sports moments from the previous week, shoot me an email! Can be one person or a team of many--I just need some help! Let me know if you're interested!

## **PROFESSOR SPOTLIGHT**

No Professor Spotlight this week. Why? Well, I opened my MMU inbox, anxious to learn who my next spotlight would be, but sadly the inbox was empty!

\*Sigh\*

Maybe we'll have a new professor spotlight next week...but only if one emails me :(
