## STOIC START TO THE WEEK:

*"What is bad luck? What are conflict, dispute, blame, accusation, irreverence, and frivolity? They are all opinions, and more than that, they are opinions that lie outside of our own reasoned choice, presented as if they were good or evil. Let a person shift their opinions only to what belongs in the field of their own choice, and I guarantee that person will have peace of mind, whatever is happening around them."*

## SPORT REPORT:

Good morning #DukeAndIrishNation,

Honestly, y'all, with college basketball season being over, I've run out of means of entertainment for me. I've also learned in my subsequent conversations with people that I have become (shockingly) quiet. I just thought to myself, hey, Davis, it must just be a long week or exam period coming up. That must be my explanation for my silence! Nope, the truth is, after some serious introspection, that I only know how to talk about college basketball. I think I'm starting to realize how truly obnoxious I really am about talking about sports and will do better to develop more than just a one-dimensional personality this coming school year.

**Ashley Topel** was absolutely thrilled as legendary former LSU head football coach Ed Orgeron came to visit to continue the strange feud between Notre Dame and LSU. Coach O, known for his steadfast commitment to ethics and his near-genius levels of football knowledge /s/, told our football team he thinks we can win a national title next year. Now if that isn't just a fabulous sign, I don't know what is! Rumors are that Mr. **Lacoste** treated Coach O to a bowl of gator sausage jambalaya after the JV Law Review mixer.

The NBA playoffs have started, aka the less exciting version of March Madness. I had a lot of hope in my Bluff City WTT Memphis Grizzlies, but for some stupid reason they decided to switch 1-5 against the Timberwolves in Game 1 and got embarrassed. I was even more embarrassed because, having obviously not learned my lesson this year about trash talk and my bad sports karma, I talked trash to **Anna McGinn** and her lovely parents as I left the library to go watch the game. Joke's on me, again, and my sports karma once again lets me down. Right now I like **Cole Craghan**'s Phoenix Suns to take it all. They're pretty unstoppable.

Also, did anybody check on how Notre Dame baseball did against Duke this weekend? Look it up if you aren't sure!

Hope everybody has gotten your mimosas out of your systems, and remember to study for your finals harder than Duke prepared for the Final Four game against Carolina, because once again I will go on the rant and say that we were NOT PREPARED FOR CAROLINA'S PICK AND ROLL AND I HAVE NO IDEA HOW WE USED THE SAME DEFENSIVE SCHEME AS WHEN WE GOT EMBARRASSED IN CAMERON. But whatever.

Let's get it, let's go Duke, let's go Irish,

Davis Lovvorn

Executive Trash Talking Editor, JV Law Review

## 1L OF THE WEEK:

Our 1L of the week is **Joe Allegretti!** Can't disagree with your wife's ultimatum, but I heavily support blasting Shania Twain at any time of the day. Take Joe to Oros' Karaoke night and belt every word of "any man of mine" to help you get through this finals szn.

**Q. Where are you from/where did you attend undergrad?**

I am from the southwest suburbs of Chicago...Frankfort, IL.  
I attended the University of Illinois at Urbana – Champaign for undergrad...ILL!

**Q. Who at NDLS makes you laugh the most?**

Jacob Downes. He really just tells it like it is.

**Q. What is one thing you should know how to do by now, but do not?**

I should know how to recite the Supreme Court justices by heart, but I lose track of who's alive, retired, and, for lack of better words, no longer with us.

**Q. If you have to give your significant other an ultimatum in a relationship, you should probably just break up. Agree or disagree?**

This hits close to home. Every time I grow a mustache, my wife gives me an ultimatum, and here I am...no mustache. So I would have to say disagree.

**Q. Finish this sentence... In the morning, please do not \_\_\_\_\_.**

Turn down the volume while I am getting ready blasting Luke Combs or Shania Twain

(sorry to all the Foundry South people).

**Q. Your favorite Easter tradition?**

Well, my mom is Jewish and my dad is Catholic, so the Easter egg hunts were great, but they typically ended up in me finding matzah.

**Q. Going out to dinner or staying in for a movie night w/ friends?**

Going out to dinner with friends, as long as we end up somewhere doing karaoke.

**Q. What's your dream job that you could do for the rest of your life?**

I would love to have a podcast or a tv talk show with my brother focused around the three pillars of life...family, sports, and bourbon.

**Q. Anything you'd like to say to your fans?**

Stay tuned...1L year was just a warm-up.

**Q. Who should be the last 1L of the week?**

Caroline Buthe (assuming she has never done this before)

## 2Ls TAKING Ls:

This week's "2L taking Ls" story comes from **Morgan Cleary!** This was one of many Ls the 1Ls took during Write On. At least you could be somewhat confident the NSA wasn't dropping in on your conversations in that Yellowstone Cabin (*and no Karen this isn't a political statement-- it's a Write on reference. Had to be there.*)

*Now for our feature presentation:*

*Morgan and her sister, who is holding bear spray*

After 1L finals, I drove out to Idaho, and I finished write-on throughout the drive and my first week of my externship. My sister drove out with me for a few weeks to vacation. To celebrate the end of write-on and the 1L school year, we decided to drive up to northern Yellowstone for an early summer weekend and splurge on a cabin in Wyoming so we could spend a full weekend hiking. We spent an incredible Saturday hiking trails near hot springs and counting the number of wildlife spotted. I was living my best life.

In the afternoon, we went to check into our cabin, which was conveniently located right next to a bunch of trails in the middle of a Yellowstone community in the mountains. I thought our cabin was really cute—it looked like a rustic cabin straight out of Moonrise Kingdom, vintage, sun-tinted, blending into Wyoming mountains. The inside of the cabin was an actual hotel room, filled with Yellowstone paraphernalia—photos of the mountains, bear-shaped soap, and hiking guides. I was out of the law school library, in my element.

While my sister was thrilled to spend the night in Yellowstone, I had to console her worries that we wouldn't have wifi for evening Netflix and that we would be able to sleep amidst the buzzing of cicadas. My consolations almost worked. After spending a few minutes in the cabin to check in and charge our phones, I reached to pull my phone from my charger near the bedside table. A whistlepig jumped out at me from a hidden hole behind my bed. I screamed, told my sister to grab our bags, and we ran out of the cute, Yellowstone cabin.

The hotel next door told me that the whistlepig intrusion wasn't supposed to happen—it wasn't part of the "experience." They kindly gave us a hotel room for the night so we didn't have to drive back to Idaho. I was happy to be able to have one night in Yellowstone. My sister was happy too, for a night in a nicer hotel room in Yellowstone, this time with the hotel internet reception and a shower.

For the last MMU this year, I nominate **Will Warnisher**.

## ASK A 3L:

This week's 3L is **Samantha Contreras**. I agree with Sam's red flags, but I would add ✨law student✨ to that list. I don't think anyone is getting a ring by spring in this SB dating pool.

### **Question(s) & Answers:**

**Q. Are you dating Henry Lay?**

**3L Advice:** I hope so. If not, he's definitely a stalker.

**Q. Champaign-Urbana v. South Bend--which one is better?**

**3L Advice:** Hmmm that is a tough one. Extremely comparable, but I think I like the bar scene and restaurant scene around Champaign-Urbana better than South Bend.

**Q. How do I get a ring by spring?**

**3L Advice:** Does it look like I know?

**Q. What salary would it take for you to become a tax lawyer?**

**3L Advice:** Apparently the starting salary at my firm lol

**Q. Biggest red flags?**

**3L Advice:** Men who wear flip flops with the toe separations. Men who want you to take out the garbage. Men who don't conform to all of the male gender roles embraced by the Brady bunch. People who do their own taxes.

**Submit your questions to the LAST 3L that will be feat., [Katie Pallesen](#), below.**  
(questions are always anonymous)
