Save Your Bottle Caps and Plastic Container Lids!

Karen Srmek's daughter Lauren is collecting plastic lids for the National Honor Society at Brandywine High School. The NHS is going to use the plastic to make a bench for the 2018 graduating class.

Karen has placed a box in the library staff lounge on the 2nd floor of Biolchini Hall. She will pick up the lids every two weeks. She will also be happy to pick them up directly from you. Just email her at ksrmek@nd.edu.

Any plastic lid can be donated. Examples include water bottle, soda, milk, and juice lids; laundry caps; and cottage cheese/yogurt container lids.
