Organization and Programs

The College of Law is the outgrowth of a course in law established at the University in 1869, and is historically the oldest of Catholic law schools in the United States. In 1905 the school was given the status of a college in the reorganization of the University carried out in that year. The College has enjoyed a steady growth in enrollment, which at the present time numbers over two hundred.

Academic Standing

The College of Law is a member of the Association of American Law Schools, an association of fifty-seven law schools, including the leading university schools of the country. Members must maintain specified standards as to entrance requirements, faculty, library equipment, and course of study.

Building and Equipment

Since 1919 the College has been established in a building of its own, named Hoyes Hall in honor of the Honorable William James Hoyes, Dean Emeritus, whose life-long labors laid the foundation for the present growth of the College. Hoyes Hall is a two-story structure well equipped with classrooms and offices. A large room on the first floor is set aside for the Law Library, which contains 7,000 volumes and which has its own librarian in charge. The library is supplied with the federal and state reports and digests besides the standard textbooks and cyclopedias.

Aims and Methods of Instruction

It is the aim of the College to give its students a thorough and practical preparation for the professional practice of law in any state. The case method of instruction is used. By the study, comparison and discussion of selected cases the principles of law are developed with reference both to their historical growth and to their application in contemporary practice. The classroom lectures and discussions are supplemented by collateral reading and by systematic training in procedure through the moot courts. In these practice courts, presided over by some member of the faculty, the students receive training in the preparation of pleadings, motions, trial records, exceptions, and appeals, and the preparation of cases and briefs on appeal. Each candidate for a degree in law is required to complete the procedure of at least one case from the service of process to its final determination on appeal.

COLLEGE OF LAW

Regulations Governing Payments

The necessary annual and incidental fees, together with optional fees, and such other expenses as the student may wish to incur (room, board, laundry, etc.), must be paid when the student enters in September. It is impossible for the University to make exception to this rule.

No rebate will be allowed for late entrance.

An exception is made if it seems expedient for him to go home because of protracted illness.

No student will be registered for the second semester whose account for the first semester has not been adjusted, nor will a degree be conferred on a student under such circumstances, nor a transcript given of his academic credits.

Semester bills and other accounts are subject to sight draft if not paid within ten days after they have been rendered.

Remittance should be made by draft or by postal or express money order, payable to the order of the University of Notre Dame. Checks on local banks are not desired and the cost of exchange will be charged for all such checks.

Scholarships and Prizes

The University has the bestowal of a number of scholarships and prizes among which the following are of especial interest to students in the College of Law:

**The Rev. Thomas Carroll Scholarship.** Established March 12, 1895, by a bequest of $5,000 from the Reverend Thomas Carroll, of Oil City, Pennsylvania. The income from this fund is used in helping a worthy student from the Diocese of Erie, Pennsylvania, (preference in the selection being given to students from St. Joseph's Parish, Oil City), to secure an education in one of the colleges of the University. This scholarship, worth $300 a year, is awarded, as a vacancy occurs, to a student beginning his college course and may be held by him for four years, provided that he maintains a high scholastic record. The appointment or reappointment, however, is made anew each year.

The **John P. Lauth Memorial Scholarship.** Founded in 1917 by a gift of $1,000 from the Order of Foresters, of Chicago, as a memorial to John P. Lauth, a former professor in the University of Notre Dame. The income from this fund is awarded each year to some needy and deserving student in one of the colleges of the University.

The income, amounting to $500, may be used for the assistance of a student in any college of the University who has shown by his industry and attainments that he is worthy of this aid. The income may be allotted to one or two students. Though the appointment or reappointment to this benefit is made each year, the same student may hold the scholarship for four years, provided that he maintain a satisfactory record in his college work.

**The Patrick O’Brien Scholarship.** Established in 1913 by a gift of $7,000 from the O’Brien family of South Bend, Indiana, in memory of their father, Patrick O’Brien. The income from this fund, which amounts to $420, is to be awarded annually to a student in any college of the University who needs help and who has a high record in scholarship. The benefit may be shared by two students.

The award is made after competition in delivered orations, decided by three judges selected by the Faculty. The winner represents the University in the Indiana State Oratorical Contest, held on the third Friday in February. All college students are eligible for this contest, but no student may receive the Breen Medal more than once. The winner of this prize may, however, compete several times for the honor of representing the University in the State contest. There is also a ten-dollar prize offered to the winners of the freshman, the sophomore, and the junior contest in oratory.

**The Keach-Hering Prizes.** Two money prizes have been offered for distribution among the monogram men who have achieved the highest academic excellence. The first is a prize of one hundred and twenty-five dollars given by Francis Earl Hering, Litt. B., 1898, LL.B., 1902, of South Bend, a member of the baseball team in 1896-97, and captain of the football team during the same year. The other is a prize of one hundred dollars, donated by Leroy Joseph Keach, LL.B., 1898, of Indianapolis, captain of the track team in 1908. The prizes are to be awarded as follows: seventy-five dollars to the sophomore monogram man with the best class average for the freshman, the sophomore and the junior years; seventy-five dollars to the junior monogram man with the highest average for the freshman and the sophomore years; and seventy-five dollars to the senior monogram man with the highest average for the senior year in scholarship. The benefit may be shared by two students.

**The South Bend Watch Company Prizes.** The South Bend Watch Company has made permanent arrangements to offer annually a full-jeweled, fourteen-carat gold watch to the senior student in each of the five colleges who has made the best academic record for four years in the college from which he graduates. The recipient of a medal or other prize awarded for four years of general excellence in any course is not eligible to receive this prize. The same company annually donates a gold watch which is awarded to the student who has earned his monogram in athletic competition during his senior year and whose academic record for that year is the best among the senior monogram men.

**The South Bend Citizens Prizes.** A number of public spirited citizens of the city of South Bend have co-operated in the establishment of eight money prizes of fifty dollars each, two of which are awarded in the College of Law:

- Fifty dollars, offered by Mr. Arthur Hubbard, Attorney-at-Law, for the student having the best general average for the senior year in the College of Law.

The studies prescribed for the first year in Law are accepted as the equivalent of those taken by Seniors in the College of Arts and Letters, and the degree of Bachelor of Arts is conferred upon the satisfactory completion of the fourth year of the combined program. The completion of the other two years in Law secures the degree of Bachelor of Laws.

COMBINED ARTS AND LAW PROGRAM

The College of Arts and Letters and the College of Law together offer a six-year program leading to the two degrees of Bachelor of Arts and Bachelor of Laws. This affords a most desirable preparation for the successful practice of law, and is coming to be the accepted standard for the profession. The first three years of the combined program are spent in the College of Arts and Letters, the last three in the College of Law. The studies prescribed for the first year in Law are accepted as the equivalent of those taken by Seniors in the College of Arts and Letters, and the degree of Bachelor of Arts is conferred upon the satisfactory completion of the fourth year of the combined program. The completion of the other two years in Law secures the degree of Bachelor of Laws.
